### Information on the total number of shares with voting rights that make up the share capital

at 13 March 2013, the date of the publication of the “BALO” (bulletin of obligatory legal announcements) in which notice of the AGM appeared, as called for by article R. 225-73 of the French Business Code

Total number of voting rights	Total number of shares that make up the capital <sup>1</sup>
Total actual voting rights*: <b>36,494,981 shares</b>	<b>36,512,301 ordinary shares</b>  <b>18,582 B shares</b>
Total theoretical voting rights**: <b>36,512,301 shares</b>	

\* The actual (or net) voting rights correspond to the number of voting rights that can be exercised at Annual General Meetings. They are calculated based on the total number of voting rights linked to the total number of shares, minus shares that do not have voting rights (shares held in treasury...).

\*\* The theoretical (or gross) number of voting rights includes all voting rights linked to existing shares (including those that do not have voting rights).
